

WISDOM WORKOUT MORNING DEVOTIONALS:

WISDOM WORKOUTS: “It’s A Big Wonderful World!”

CC Theme Verse: “For You created my inmost being; you knit me together in my mother’s womb. I praise You because I am fearfully and wonderfully made.” Psalm 139:13-14

Day 1: When you say this verse, you are saying the truth: “God knows me. He made me. With great care and tenderness.” You were not an accident or a mistake in any way. Be thankful that God knows you. That means God knows what you need. And he gives you what you need. **Let’s thank God** that He knows us, and loves us, and takes care of us.

Day 2: Did you notice as we hiked along we saw all kinds of plants and flowers and trees? Did you learn the names of some of them? You know, just like God made you, He made every one of them. Just like He knows you, He knows all about them too. Every one is special—even the poison ivy. Why would God make poison ivy? Maybe it was to teach us wisdom. To see if we would be wise and not touch something that is not good for us. To see if we will honor God and obey. **Let’s thank God** that we are learning to be wise this week.

Day 3: Did you see the stars come out last night as the sun was going down? Did you know God made every one of them too? And He has a name for every one of them. He set them each one in its special place just so. So, the Moon goes through a new cycle of changes every 28 days. And the earth turns on its axis once every 24 hours. And the Earth circles around the Sun once every year. Is that amazing or what?

God surely did make a Big Wonderful World! **Let’s thank God** that He made this big wonderful world, and He made us and put us in just the right place in His world.
